

## **ASSISTED LIVING *AT HOME***

Assisted Living *at Home* features coordinated services and, with permission of the client, follow-through to the primary care physician and a close family member.

<b>Service Component</b>	<b>Fee</b>
<p>Prior to the start of services, a registered nurse does an assessment in the home of the prospective client. The nurse and client develop a comprehensive, written service plan. If the client wishes, the spouse and/or family members may participate in this process.</p> <p>The coordination of services begins with the first visit and continues as new needs are identified and old issues are resolved.</p> <p>An Assisted Living <i>at Home</i> medical record is established and maintained for immediate reference of the nurse client-services manager.</p>	<p>\$225.00 (one-time fee incurred only when services include any of the following: medication monitoring, medical services assistance, or personal care assistance)</p>
<p><b>Coordination of Electronic Safety Assistance Service</b>, in accordance with the client’s plan and needs</p> <ul style="list-style-type: none"> <li>● LifeLine</li> </ul>	<p>Pass through costs from partnering organization.</p>
<p><b>Medication Monitoring</b></p> <ul style="list-style-type: none"> <li>● Coordination with pharmacist to avoid adverse interactions when medications might be prescribed by multiple physicians .....</li> <li>● This includes everything from setting up pill boxes to coordinating “high tech” medication management systems .....</li> <li>● Daily (Mon – Fri) phone reminders .....</li> </ul>	<p>no extra charge</p> <p>\$15/week to fill med box</p> <p>\$5/day</p>

Service Component	Fee
